HOW TO APPLY

1. Read the overview for eligibility criteria and time-line before applying
2. View camp schedule at www.nic.bc.ca/youth-academy and make note of the appropriate camp code
3. Complete all form sections, verify your income, and email form to youthacademy@nic.bc.ca

TIMELINE

NIC accepts applications starting April 1 annually. Subsidies are awarded first come first serve while resources last. Summer camp registration opens the first week of April annually. See the Youth Academy website for more registration details. It takes 2-3 business days to process Fee Subsidy forms. Submitting an application does not confirm your spot in the camp.

ELIGIBILITY

NIC provides a limited number of subsidies to families/caregivers of youth whose gross household family income meets the outlined criteria (page 2). Additionally, camp participants must meet the minimum age requirement set for the camp by Dec 31 of the same year the camp is offered. NIC awards one fee subsidy per child on a first come first serve basis, while funding lasts. Those who meet the outlined household income criteria will receive a subsidy of 75% off the camp fee.

Examples:

Camp fee: \$200+GST (\$210.00 total)= You pay \$52.50, Youth Academy subsidizes \$157.50

Camp fee: \$210+GST (\$220.50 total)= You pay \$55.00, Youth Academy subsidizes \$165

Camp fee: \$235+GST (\$246.75 total) = You pay \$61.75, Youth Academy subsidizes \$185.00

HOW THE SUBSIDY IS APPLIED

If approved for a subsidy, NIC will register your child in a spot in their desired camp providing there is space. Your subsidy agreement acts as your form of payment and holds the child's spot. Your portion of the camp fee is due within two weeks of receiving your notification email from NIC. After 14 days if NIC has not received the remaining payment from you we will remove your child from the camp registration.

HOW TO PAY YOUR PORTION

If approved for a subsidy you will receive a notification email from Youth Academy which will include a set of instructions for making payment, including the payment deadline date.

DID YOU REGISTER ONLINE?

If you have already registered in a camp online and your subsidy application is accepted, NIC will refund the subsidy value to the card you used to complete the online registration. The amount will reflect 75% of the camp fee paid. Please note, this refund may take several weeks to process and show on your credit card statement.
