BYLAW NO. 6

2026-2027 Academic Year

INTERNATIONAL TUITION AND FEE BYLAW

This bylaw establishes principles for a sustainable international tuition fee model for courses and programs. Under the *College and Institute Act*, the Board of Governors is responsible for approving tuition fees.

North Island College will take into consideration the following principles when setting International Tuition and Fees:

Principles:

1. In setting Tuition and Fees, the following factors will be taken into account: the Mission and Values of the College, program duration and operating costs, full cost of the course or program, including a contribution to the operation of support services, and tuition and fees for comparable programming at other BC and Canadian institutions.
2. Province of BC policy requires that international tuition and fees are set at a level that covers the full cost of the course or program, including the cost of support services.
3. Programs that require specialized supplies or facilities may have fees levied to cover those additional costs.
4. Tuition and Fees for programs offered in partnership with other post-secondary institutions will be established with the partner institution(s).
5. The tuition fee model will strive for simplicity.
6. Proposed International Tuition and Fees for new programs and courses will be brought forward to the Board as part of the credential approval process.

Scope:

This bylaw applies to international tuition and fees for:

- All courses and programs that lead to a credential;
- Adult Basic Education (ABE) courses and programs; and
- Academic English Language courses.
