

## **Program Articulation Agreement North Island College, Vancouver Island and VTC Academy, Vietnam**

The program articulation agreement outlined hereafter are entered into in good faith by both institutions under the umbrella of the Memorandum of Understanding on Cooperation signed 06/11/2020. The institutions undertake to co-operate to ensure that VTC Academy Full Stack Web Development and Mobile Application Development program graduates have access to North Island College (NIC) Advanced DIGITAL Design + Development Diploma, avoiding unnecessary obstructions, but nonetheless subject to the highest relevant academic standards.

Additionally, it should be noted that:

- Program articulation agreements are subject to review on a periodic basis by either institution or to a review being sought by either institution.
- All programs at both colleges are subject to periodic review and the outcome of such reviews will result in the review of the appropriate articulation agreement where necessary.
- Fulfilling the requirements of a program articulation agreement does not constitute a placement offer for that program.
- All applicants must provide documentary evidence of having successfully achieved the specific requirements of a particular articulation agreement.
- The provision of a program, or program stage, at NIC is subject to appropriate demand and available capacity. The existence of a program description in any promotional material from NIC does not constitute a legal undertaking that that program will be available the following academic year.
