

Silver Jewellery Making - Beginners

Learn the skills required to create your own jewellery with basic tools and equipment. Explore construction/fabrication techniques, silver soldering, how to bezel-set a stone, finishing/polishing, and surface ornamentation. The course is labour intensive and has a moderate degree of difficulty therefore good eye/hand co-ordination would be useful.

Supply Fee:

Your course fee includes supplies you will receive in class to complete your projects in silver.

Supplies and Materials required (to bring from home):

- Safety glasses(mandatory)
- Face dust mask (N95 rating)
- Small sketch book and pencil
- A pair of scissors
- Old soft cloth, small hand towel
- Center punch
- Small ball peen hammer
- Any small pliers you may have: chain nose, flat nose and round nose
- Small wire cutters, flush end or diagonal
- Small container with tight fitting lid for metal scrap and filings
- Small tool or tackle box to keep your tools in for class
- Any other small tools you may have if you think they may be of use

Bring a bagged lunch and beverage as a short break will be taken.

Please wear close-toed shoes (no sandals) for safety and bring something to tie long hair back.

Check your receipt for class date(s), time and location.
